DALLE API Integration
Logo design in 3D
Frontend + Backend Dev
Posting & Like Counter

Stack.

Vite.js (React)
Javascript
Tailwind CSS
MongoDB
Cloudinary
RenderOn
Photoshop
Blender3D

Koche Records – Record Label from Palma, Spain 2023.

Web

<https://kocherecords.com>

GitHub

[https://github.com/0x1x3x/web-projects/tr](https://github.com/0x1x3x/web-projects/tree/main/koche-records)

SoundCloud

<https://soundcloud.com/kocherecords>

About.

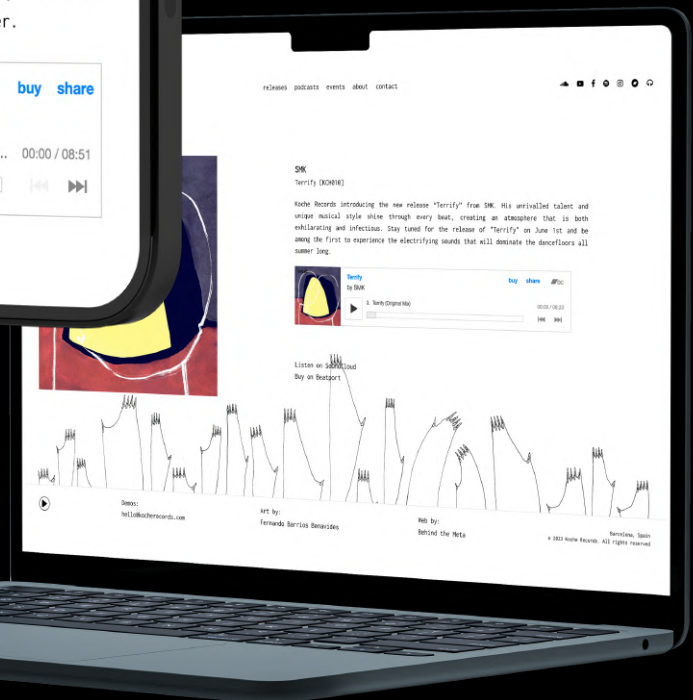

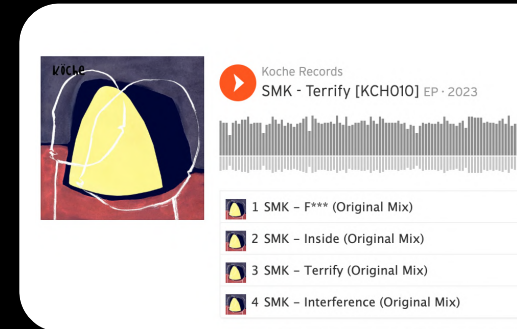

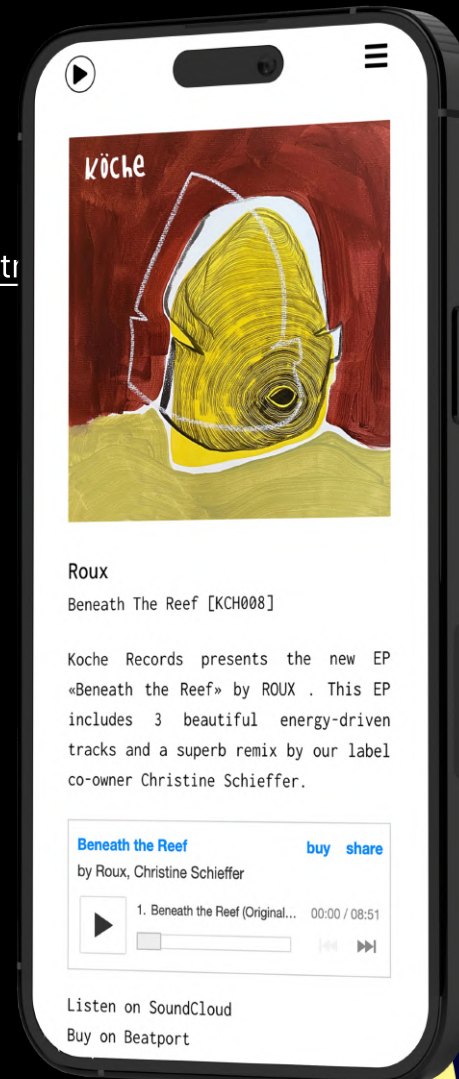

Koche Records is my own record label of minimal, deep tech and techno music, based on Mallorca, Spain. Label releases music from talented producers all over the world, have own fan base and popular podcast series. All covers made by famous Madrid-based artist and sculptor Fernando Barrios Benavides. Music available on Spotify, iTunes, Beatport and other huge platforms and shops.

Goals.

Art+Music
Easy minimal design
Cool preview js script to
enlarge covers on desktop

Stack.

React
Javascript
Tailwind CSS

Koche Records – Glass “Vinyl-Only” Player 2023.

Web

<https://glass-player.vercel.app/>

GitHub

<https://github.com/0x1x3x/web-projects/t>

About.

Oh my god, this beautiful glass player has broken! It's playing only vinyl-only mixes from Koche Records podcast series. I make it player for fun and culture. PS I've decided to build it after watching "The Playlist" on Netflix, documentary about Spotify.

Goals.

Fun and Culture
Build music player

Stack.

React
Javascript
Tailwind CSS
